JOB OPPORTUNITY

Production Operator

Manitoba Starch Products is the only manufacturer of food-grade potato starch in Canada. Our growing, state of the art processing facility is located near Carberry, MB, in the heart of Canada and surrounded by western Canadian potato production.

We are currently seeking a full-time Production Operator to work in our plant that operates 24 hours a day, 7 days per week. The successful applicant will work on a rotating schedule which includes 10 and 12 hour day and overnight shifts.

The successful candidate will possess:

- the ability to work 10 and 12 hour shifts on a 24 hour, 7 day per week rotating schedule
- the ability to work alone on overnight and weekend shifts
- the ability to lift and carry up to 25kgs, walk and stand on concrete for long periods of time (with breaks), and be comfortable with heights
- the ability to work in varying temperatures
- the ability to consistently maintain a clean work area
- a strong work ethic with the ability to maintain an excellent attendance record
- strong problem solving skills with keen attention to detail
- a positive, collaborative attitude and approach to work
- strong computer skills
- mechanical aptitude
- previous manufacturing experience
- the ability to fluently speak, read, and write in English
- legally eligible to work in Canada

We offer competitive wages and employees are eligible for our benefits package after successful completion of the requisite probationary period.

Qualified candidates can apply by emailing a current resume and cover letter to the attention of Brent McMillan at hr@manitobastarch.com by December 7, 2018.

We thank all that apply. Only those applicants selected for an interview will be contacted. No phone calls please.
